

Leo Landroche "B" Field Redesign

On June 1st the Town of Newmarket will accept the completed construction project which encompasses the redesign of Leo Landroche B-field complex. The redesign includes two new U-12 soccer fields and a championship High School softball field that will be lighted by Musco lighting. There will also be a new scoreboard for the softball and soccer fields, and all these fields will be sodded and irrigated. The Leo Landroche A-Field baseball and soccer field will be also fully lighted by Musco Lighting. These additions will make the Leo Landroche Field Complex one of the premier athletic complexes in the NH Seacoast. The redesign plans were created by Ironwood Design Group in Exeter, NH, and the engineering was created by CMA engineering of Portsmouth, NH. This project has taken years to achieve and now will become a reality for the Town of Newmarket. Congratulations to all who made this dream a reality!

Facility Usage

Parks and Trails

A more detailed outline of what each park/facility has to offer is available at the Community Center.

Reserving Facilities Space

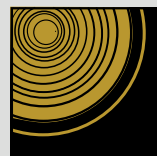

The Newmarket Community Center has several meeting/classrooms available for use should your local nonprofit organization require space for a meeting. If you are interested in booking one of our facility rooms, you will need to stop in the Community Center and see the operations manager for a request form. Please have your proof of nonprofit status (501)C3 Form with you at this time. If you have any questions contact Anneliese Fisher at 659-8581.

Gazebo Reservations

If you should like to reserve the gazebo located at the Leo Landroche Field for a private function, you must be a town resident and make your request in person at the Community Center during normal operating hours.

Field Reservations

All coaches of any sport must direct their request for field use to their league president. If you are the president of your particular sports organization and would like to reserve field time for your teams, you must come in to the Community Center and reserve the fields in person. Only league presidents will be able to book field time for all teams involved.
